

Special Issue on

## Reliability, Power Loss Reduction and Power Quality Improvement of Distribution Systems

# Call For Papers

A new Special Issue *Reliability, Power Loss Reduction and Power Quality Improvement of Distribution Systems* (<http://www.ajepes.org/sinfo/165010>) has been launched in *American Journal of Electrical Power and Energy Systems* (<http://www.ajepes.org>). This Special Issue intends to collect research achievements concerning Distribution Systems. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

### Lead Guest Editor

Lead Guest Editor: Degarege Anteneh

Affiliation: Department of Electrical and Computer Engineering, Debre Berhan University, Debre Berhan, Ethiopia

### Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ajepes.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Power quality assessment and improvement of distribution system
- ◆ Power loss reduction of distribution system
- ◆ Optimal reconfiguration for improve voltage profile, load balancing system
- ◆ Optimal location placement and sizing of DG and capacitor
- ◆ Reliability enhancement of distribution network
- ◆ Energy (load) management of distribution system using smart technology

### Important Dates

Submission Deadline: **Feb. 20, 2020**

Publication Deadline: **Apr. 20, 2020**

### Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
