

Special Issue on

Recent Advances on Nanoscale Ferroelectrics and Their Applications

Call For Papers

A new Special Issue *Recent Advances on Nanoscale Ferroelectrics and Their Applications* (<http://www.ajnano.org/sinfo/226034>) has been launched in *American Journal of Nano Research and Applications* (<http://www.ajnano.org>). This Special Issue intends to collect research achievements concerning Nanoscale Ferroelectrics. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.
