Special Issue on Computational Mathematics

Call For Papers

A new Special Issue *Computational Mathematics* (http://www.ijmathphy.org/sinfo/322009) has been launched in *International Journal of Applied Mathematics and Theoretical Physics* (http://www.ijmathphy.org). This Special Issue intends to collect research achievements concerning Computational Mathematics. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Sunday Fadugba

Affiliation: Department of Mathematics, Ekiti State University, Ado Ekiti, Nigeria

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via

http://www.ijmathphy.org/submission

Topics of Interest Include (but not limited to):

- Data science in finance
- Optimization Theory
- Development of new schemes for the solution of differential equations
- Applications of Mathematics in the real world
- Mathematical analysis of epidemiology
- Mathematical physics
- Solutions of fractional differential equations
- Mathematical modeling
- Stochastic analysis and applications
- Numerical methods for options valuation

Important Dates

Submission Deadline: **Feb. 25, 2020**

Publication Deadline: **Apr. 25, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
