

Special Issue on

Fuzzy Modeling Systems in Engineering, Science and Technology

Call For Papers

A new Special Issue *Fuzzy Modeling Systems in Engineering, Science and Technology* (<http://www.ijmfs.org/sinfo/353003>) has been launched in *International Journal of Management and Fuzzy Systems* (<http://www.ijmfs.org>). This Special Issue intends to collect research achievements concerning Fuzzy Modeling Systems. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Nivetha Martin

Affiliation: Department of Mathematics, Arul Anandar College (Autonomous), Karumathur, Tamil Nadu, India

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ijmfs.org/submission>

Topics of Interest Include (but not limited to):

- ◆ To foster the researchers to present their recent and inventive research works
- ◆ To disseminate the quality inferences of the research to the global community
- ◆ To promote the sustainability of mankind with flexible Fuzzy models
- ◆ To build network between Fuzzy experts and researchers for enriching scientific innovation
- ◆ To persuade young researchers to publish articles of high eminence and creativity with practical utility
- ◆ To expound several Fuzzy Models nexuses with other domains of Mathematics

Important Dates

Submission Deadline: **May 10, 2020**

Publication Deadline: **Jul. 10, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
