

Special Issue on Multidrug Resistant Bacteria: Current Trends and Challenges

Call For Papers

A new Special Issue *Multidrug Resistant Bacteria: Current Trends and Challenges* (<http://www.ijmicrobio.org/sinfo/396003>) has been launched in *International Journal of Microbiology and Biotechnology* (<http://www.ijmicrobio.org>). This Special Issue intends to collect research achievements concerning Bacteria Research. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Raoudha Dziri

Affiliation: Department of Biology, Laboratory of Microorganisms and Active Biomolecules, Faculty of Sciences of Tunis, University of Tunis El Manar, Tunis, Tunisia

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ijmicrobio.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Epidemiology of resistant bacteria
- ◆ Molecular research of resistance mechanisms
- ◆ Drug design
- ◆ New diagnostic methods of antimicrobial resistance
- ◆ New therapeutic approaches
- ◆ Pathogenicity, virulence and antibiotic resistance

Important Dates

Submission Deadline: **Apr. 30, 2020**

Publication Deadline: **Jun. 30, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
