

Special Issue on

Artificial Intelligence in Electrical Power & Energy

Call For Papers

A new Special Issue *Artificial Intelligence in Electrical Power & Energy* (<http://www.ajece.org/sinfo/523001>) has been launched in *American Journal of Electrical and Computer Engineering* (<http://www.ajece.org>). This Special Issue intends to collect research achievements concerning Artificial Intelligence. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Sweta J Shah

Affiliation: Department of Electrical Engineering, Indus University, Ahmedabad, India

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.ajece.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Power System Planning – Economic Load Dispatch, Unit Commitment
- ◆ Power System Security
- ◆ Distributed Generation and MicroGrid
- ◆ Integration of Renewable Sources
- ◆ Load Forecasting
- ◆ Power Quality
- ◆ System Monitoring and Control

Important Dates

Submission Deadline: **Aug. 15, 2020**

Publication Deadline: **Oct. 15, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
