

Special Issue on

Artificial Intelligence in the Control and Monitoring System

Call For Papers

A new Special Issue *Artificial Intelligence in the Control and Monitoring System* (<http://www.ajoai.org/sinfo/542002>) has been launched in *American Journal of Artificial Intelligence* (<http://www.ajoai.org>). This Special Issue intends to collect research achievements concerning Artificial Intelligence. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Svetlana Veretekhina

Affiliation: Department of Information Technology, Russian State Social University, Moscow, Russia

Papers Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript by <http://www.ajoai.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Artificial intelligence in the control system
- ◆ Big data processing
- ◆ Algorithms, methods, technologies, management methodology
- ◆ System analysis
- ◆ Practical application of neurobots
- ◆ Government control over the use of artificial intelligence

Important Dates

Submission Deadline: **Aug. 20, 2020**

Publication Deadline: **Oct. 20, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
